

Steps for Those Who May Need to Get Tested for COVID-19

Step 1:

If you suspect you have COVID-19 or another virus, please do not walk into the Emergency Department or Doctors Office (see Step 2).

Step 2:

For immediate assistance, call 311 or NYC Health + Hospitals at 1-844-NYC-4NYC or 1-844-692-4692. **You will be given advice and if needed can speak with a doctor.**

Step 3:

If you may have come in contact with a sick individual, you may be asked to **self-isolate** or schedule a time for further evaluation.

Call **911** if you are having trouble breathing or any other symptoms that require immediate medical attention.
