Our Areas Of Work

HOUSING & DEVELOPMENT

• AFFORDABLE HOUSING:

*We've created a pipeline of over 900 income-targeted housing units to be completed in the next four years. We also recently completed a **64-unit Senior Housing development** at 811 Lexington Ave, with tenants already moved in.*

• SUPPORTIVE HOUSING:

*We recently built and completed a **60-unit supportive housing project** at 778 Myrtle Ave and have also transformed an abandoned hotel into supportive housing at the **Gibb Mansion** and built the **Navy Green**, a 98-unit permanent building for previously homeless individuals and low-income residents.*

• HOME OWNERSHIP:

*We offer prevention counseling for homeowners facing issues like foreclosure, tax liens, and deed theft. Our **Energy Fit Program** provides free energy upgrades and home repairs to make homes healthier, warmer, and less expensive to run.*

ECONOMIC OPPORTUNITY

• PROJECT IMPACCT:

*This program helps historically under-represented entrepreneurs develop skills and access resources to grow their businesses. We've empowered over **78 local Brooklyn businesses** this year.*

• PROJECT IT:

In partnership with Amazon/RING Security, we have provided and installed security cameras for eligible small businesses in Central Brooklyn.

Our Areas Of Work

•**TENANT ORGANIZING:**

*Our team works to prevent displacement and illegal housing practices, offers eviction prevention counseling, and provides housing court advocacy. They also host **free legal clinics** and tenant rights sessions throughout the borough.*
